

Local Restaurant Scene

Gurnee is known as a major tourist and shopping destination in Northern Illinois, but it also has a vibrant local dining scene. Over 30 independent restaurants offer a unique flavor to the community and draw in a loyal customer base from around Lake County. Some of the restaurants in Gurnee have been serving the community for decades and others are brand new. We encourage you to “sample” all that Gurnee has to offer! Like us at [facebook.com/GurneesGotIt](https://www.facebook.com/GurneesGotIt) for quick links to these and other local Gurnee businesses.
