- IL SB2960 to eliminate small personal care bottles from hotels and SB2876 to recycle and compost materials at events. July 1, 2025, hotels with 50 or more rooms won't be allowed to offer small, single-use plastic personal care bottles. All hotels will be on the hook come Jan. 1, 2026. By embracing more recycling opportunities, as we do in this legislation, we can see recycling create up to 10 times the jobs in landfilling, and composting can create up to four times as many jobs." <https://www.wastetodaymagazine.com/news/illinois-large-event-facilities-act-signed-into-law/>
