## **Crime Prevention:**

Officers Woodruff and Butur led a discussion about the cannabis law that will go into effect on January 1, 2020 and the impact it may have in our Village. The Village Board is also considering the option to allow a recreational dispensary in town, based on the guidelines of the new law. Residents were notified that the Village of Gurnee would be sending a short survey on October 9th via the Connect CTY alert system. For further information and presentations about where the dispensary would be located and how this may impact the community can also be found by visiting
