CRIME PREVENTION

Summary of crime prevention topic

Officers had an open discussion and presented information regarding the most frequently asked questions received from residents. Topics included distracted and aggressive driving and what residents can do when they witness these types of driving. We also outlined some of the most common phone scams officers have taken reports for in the past few months.

We always receive questions about the best way to protect your home and personal property from crime. We outlined some of the most effective and inexpensive measures you can take to keep your property safe.

Finally, we showcased the 10 most popular calls our officers went to in 2019. Did you guess our most popular police activity? Find the answer in the presentation posted on the Village of Gurnee website on the Neighborhood Watch page.
