

# Providence Village Providence Oaks Country Trails

## Neighborhood Watch Meeting

### **POLICE ACTIVITY**

Summary of neighborhood activity for 2019

In 2019, the Providence Village neighborhood had 511 police calls. Of the 511 calls received, 14 were actual crimes that get reported to the FBI for analysis. The rest of the calls are considered quasi-criminal, traffic related, and service related.

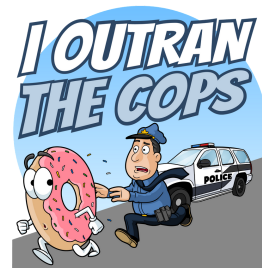

In the Providence Oaks and Country Trails area there were a total of 596 calls in 2019. Of those calls, 17 were considered crimes that are reported to the FBI.

The crime rate in these neighborhoods have decreased from 2018 to 2019.

More details about what crimes occurred can be reviewed in the presentation posted online.

Thank you to Tina's Italian Cafe & Bake Shop for providing delicious brownies for our Neighborhood Watch Meeting attendees!

## CRIME PREVENTION

Summary of crime prevention topic

Officers presented information regarding the most frequently asked questions received from residents. Topics included distracted and aggressive driving and what residents can do when they witness these types of driving. We also outlined some of the most common phone scams officers have taken reports for in the past few months.

We always receive questions about the best way to protect your home and personal property from crime. We discussed some of the most effective and inexpensive measures you can take to keep your property safe.

Finally, we showcased the 10 most popular calls our officers went to in 2019. Did you guess our most popular police activity? Find the answer in the presentation posted on the Village of Gurnee website on the Neighborhood Watch page.
