Residential Burglary

Gurnee - A residential burglary occurred on Friday, 04/14/17 shortly after 3:00 AM to a home in the 7600 block of Mendocino. A wallet was taken from within the home.

The suspect who committed that burglary is believed to be the same person observed via surveillance footage looking in the rear sliding door of a second home on Mendocino. This occurred shortly before 2:00 AM on the same date.

The suspect is described as an African American male, approximately 5 feet 10 inches tall, thin build, facial hair, wearing a head covering. He is pictured below.

This suspect seems to prefer entry through sliding glass doors. Residents are encouraged to pay extra attention to securing them, especially during the overnight hours. Residents are encouraged to call 911 whenever anything suspicious is observed.

Quality lighting is also encouraged as it remains the most effective night time crime prevention technique that can be employed.
