RFP NOTICE
VILLAGE OF GURNEE
325 N. O'PLAINE ROAD, GURNEE, IL 60031

The Village of Gurnee will accept sealed proposals for purchase of Storage Area Network equipment in support of a Virtual Server Environment including various associated hardware and software. Proposals will be accepted until **10:30 AM on January 21, 2019** and at that time will be publicly opened and read. Proposals are to be sealed and marked "2019 SERVER STORAGE REPLACEMENT PROJECT RFP" and delivered to the office of the Village Administrator at 325 N. O'Plaine Road, Gurnee, IL.

Beginning January 8, 2019 detailed specifications for the Storage Area Network equipment including various associated hardware and software can be obtained at the Gurnee Village Hall at 325 N. O'Plaine Road, Gurnee, IL 60031. Contact Chris Velkover for further information at (847) 599-7531 chrisv@village.gurnee.il.us.

This project entails the purchase of various hardware and software. The successful proposer must be an authorized reseller/distributor for the provided items.

Any proposal received after the time and date specified shall not be considered.

The Village Board of Trustees reserves the right to reject any proposal for failure to comply with all the requirements of this notice or any proposal documents; however, it may waive any minor defects or informalities at its discretion.

The Village Board of Trustees reserves the right to reject any and all proposals, and to award a contract which, in its judgment, is in the best interest of the Village of Gurnee.

SPECIFICATIONS

2019 SERVER STORAGE REPLACEMENT PROJECT VILLAGE OF GURNEE INFORMATION SYSTEMS

1.0 INTRODUCTION

The specifications provide technical guidelines and details for the Village's 2019 SERVER STORAGE REPLACEMENT PROJECT. The specifications are an integral part of the Village's formal Request for Proposal (RFP) dated JANUARY 8, 2019. All responders are required to review this document in detail and acknowledge their understanding of the technical aspects of this project in order to be considered a responsible Proposer.

1.1 Background

1.1.1 Village of Gurnee, Lake County, Illinois

The Village of Gurnee, incorporated in 1928, is located in Lake County, Illinois positioned approximately halfway between Chicago and Milwaukee. The Village covers an area of roughly 13 square miles and has an estimated population of 33,000.

The Village is governed by a Board of Trustees which is composed of six Trustees, Village President, and Village Clerk. Regular meetings of the President and Board of Trustees of the Village of Gurnee are held on Monday evenings at 7:30 p.m. at the Gurnee Village Hall, 325 North O'Plaine Road.

Additional background can be found at the Village website <http://www.gurnee.il.us>

1.2 Project Overview and Scope

The Village is interested in replacing an existing Hewlett Packard (HP) Lefthand Storage Area Network P4300 (SAN) in an existing Virtual Server Environment (VSE) incorporating redundant servers, switches, and storage elements. The Village is looking to avoid single points of failure and support off-site replication options in the future.

The project involves the supply and delivery of Storage Area Network equipment including maintenance.

1.3 Existing Equipment

The following existing equipment will be utilized as part of the VSE solution:

Village Hall Location

Hosts/Servers (three identical servers):

HP ProLiant DL Series
- VMware vSphere

Storage Area Network (SAN):

Qty 6 HP LeftHand P4300 7.2TB SAS SAN Nodes
(EQUIPMENT BEING REPLACED VIA THIS RFP)

Cisco Catalyst 10Gb Switching

- 10Gb SFP+ Connections to all local Hosts & SAN Nodes
- 10Gb LR Fiber Interconnect to Police Station (PD)

Police Station Location

Hosts/Servers (three identical servers):

HP ProLiant DL Series
- VMware vSphere

Storage Area Network (SAN):

- HP LeftHand P4530 SAS SAN
- HP LeftHand P4530 MDL SAN

Cisco Catalyst 10Gb Switching

- 10Gb LR Fiber Interconnect to Village Hall (VH)

Cisco Nexus 10Gb Data Center Switching

- 10Gb SFP+ Connections to all local Hosts & SAN Nodes

1.4 Proposal & Implementation Time Frames

The following time frame has been established for this project. All interested firms are instructed to conform to this schedule and note any areas of non-compliance in their proposal.

1.4.1.	RFP Release Date	January 8, 2019
1.4.2	Deadline for Requests for Clarifications	January 15, 2019
1.4.3	Deadline for Issuance of Addenda	January 16, 2019
1.4.4.	Proposal Due Date:	January 21, 2019 10:30AM
1.4.5.	Proposal Opening Date:	January 21, 2019
1.4.6.	Anticipated Award Date:	January 28, 2019
1.4.7.	Equipment Delivery Date:	February 1 - March 15, 2019

1.5 Proposal Submission Requirements

Sealed proposals will be accepted at the Gurnee Village Hall, 325 N O'Plaine Road, Gurnee, IL 60031, until 10:30AM on January 21, 2019 by Chris Velkover, Information Systems Director, Village of Gurnee. No fax proposals will be accepted. Proposals or alterations by fax, e-mail, or phone will not be accepted. Each Proposer is required to submit two (2) copies, including one (1) PDF copy in electronic format, of the following articles to be considered a responsible Proposer.

- 1.5.1. Proposal Forms (including signed / completed Attachments #1, #2, #3, and #4)
- 1.5.2. Detailed (itemized) List of Equipment Proposed with Manufacturer and Model No.
- 1.5.3. List of Any Exceptions Taken to the Specifications, or a statement that no exceptions are being taken.
- 1.5.4. A copy of any contracts / agreements and/or terms required by the Proposer as part of the purchase process for items and/or services.

To prevent unauthorized or inadvertent opening of proposals, all copies of the proposal must be sealed in the package. A label containing the information on the RFP cover page should be clearly typed and affixed to the package in a clearly visible location.

1.6 Requests for Clarifications / Addendums

Questions regarding the specifications, intent, procedures, or other aspects of the project shall be accepted via email and fax until 4:00 PM on January 15, 2019, attention Chris Velkover, Information Systems Director, chrisv@village.gurnee.il.us, 847-623-9475 FAX. Responses to any and all requests for clarification will be available in summary form starting on January 16, 2019 by request.

Should any addendums be required, all known holders of the Request for Proposal documents will be contacted in a timely manner prior to the due date. Any addendums will be issued no later than January 16, 2019, in order to give responders adequate time to modify their proposals.

2.0 GENERAL SPECIFICATIONS AND CONDITIONS

Specifications are provided to identify the product required and to establish an acceptable performance level. The Village will be the sole judge in determining “equals” in regard to quality, price, and performance. Substitutions may disqualify proposals at the Village’s sole discretion. All equipment and workmanship provided under this project will conform to the following general specifications. All proposed equipment will be new unless otherwise noted.

To aid the evaluation team in fully understanding the proposal submitted by each Proposer, and to ensure full awareness is given to each aspect of the proposal, any exception taken to, or alternative methodology proposed to the requirements specified in this proposal must be clearly noted and referenced to the subject area of this RFP. Any exceptions taken to the requirements of the RFP will be considered in the evaluation process. Any deviations from the requirements of this RFP must be clearly identified on an item-by-item basis.

Questions relating to this RFP should be directed to Mr. Chris Velkover at (847) 599-7531, via fax at (847) 623-9475, or by email at chrisv@village.gurnee.il.us.

The contents of the proposal of the successful Proposer will become, at the option of the Village, part of the contract and/or purchase order. Failure of the successful Proposer to allow the proposal to be included in the contract may result in cancellation of the award.

All materials submitted as part of the proposal shall be subject to public disclosure pursuant to the applicable Freedom of Information Act (FOIA) provisions in effect at the time of submission.

The Village shall not be liable for any pre-contract costs incurred by interested vendors participating in the selection process.

By submitting a proposal, it is presumed that the Proposer has read, understands and agrees to all sections and paragraphs of the RFP that the proposal does not specifically address. It is also understood that the Proposer has read its own proposal and warrants that it is a correct representation of the offered system.

The Proposer must not type in or otherwise alter or rekey any of the original text of this RFP. If the Village determines that the Proposer has altered any language in the original RFP, the Village may, in its sole discretion, disqualify the Proposer from further consideration.

No Proposer may withdraw their proposal within forty five (45) days of the date of the opening. Should there be reason why the award / contract cannot be awarded within the specified period; the time may be extended by mutual agreement between the Village of Gurnee and the Proposer.

The Village reserves the right to obtain clarification of any point in a vendor’s proposal or to obtain additional information necessary to properly evaluate a particular proposal. Failure of a vendor to respond to such a request for additional information or clarification may result in rejection of the vendor’s proposal. The Village reserves the right to interview prospective vendors, either prior to or during the contract award process.

2.1 Installation Practices

All proposed equipment will be new and designed for the purpose in which it is used. The Village elects to use its own personnel for the installation and configuration of the equipment provided.

2.2 Shipping Charges & Delivery Requirements

All shipping and handling and/or delivery charges shall be included in the quoted price for all items provided under this proposal.

Product delivery shall be made to the Gurnee Village Hall. The address for all shipments is Village of Gurnee, attn: Information Systems, 325 North O'Plaine Road, Gurnee, IL 60031.

Packing lists shall be included with all shipments.

2.3 Billing & Invoicing Requirements

Award of this contract will include the issuance of Purchase Order(s). The Purchase Order number(s) shall be referenced on all invoices and statements.

Payment for items shall be made following delivery of items and presentation of a detailed invoice. Any down payment requirement shall be enumerated in the proposal.

All invoices shall be sent to Gurnee Village Hall, attn: Accounts Payable, 325 North O'Plaine Road, Gurnee, IL 60031. Inquiries regarding invoices and payment activity should be directed to Accounts Payable at 847-599-7500 (847-623-9475 fax).

2.4 Insurance

The successful firm may be required to provide a Certificate of Insurance indicating general liability, automobile liability, workers compensation liability and other coverages established by the Village's Risk Manager.

In no event shall either party be liable to the other in contract or tort for consequential or incidental damages, including, but not limited to, lost profits or losses from interruption of business.

2.5 Disposition of Obsolete Equipment / Services

No equipment will be traded in or removed from Village premises as part of this project

2.6 Indemnification

The Proposer shall indemnify and hold harmless the Village, its officers or employees from any and all claims, suits, actions, costs, and fees, including attorney fees, of every nature or description arising from, growing out of, or connected with the performance of this Agreement because of any negligent act or omission, neglect, or misconduct of the Proposer, its employees and agents, or any of its subcontractors

The Proposer shall be responsible for any and all damages to property or persons and for any losses or costs to repair or remedy construction as a result of any negligent act or omission, neglect, or misconduct in the performance of its work and shall indemnify and hold harmless the Village, its officers, agents and employees from all suits, claims, actions or damages of any nature whatsoever resulting there from.

The Proposer shall not be responsible for any delay in the performance or progress of the Project, or liable for any costs or damages sustained by the Village resulting from such delay, caused by any errors, omissions and/or negligent acts of the Village or its agents, or by changes ordered in the work, or as a result of any federal, state or regulatory authority, or riot or civil commotion, or by any other cause beyond the Proposer's control. In the event of such delay, the Proposer will proceed with due diligence to alleviate the delay and continue the performance of its obligations under this Agreement.

The Village will release and hold harmless the Proposer for delays or losses experienced by the Village or others which result from the discovery of concealed conditions which require additional design, disposal, mitigation or other remedial action. When such discovery warrants the need for additional services, those services will be considered.

2.7 Force Majeure

Neither the Provider nor the Village shall be responsible for any delay caused by any contingency beyond their control, including, but not limited to: acts of God, war or insurrection, strikes or lockouts by the parties' own employees, walkouts by the parties' own employees, fires, natural calamities, riots or demands or requirements of governmental agencies.

3.0 PROVIDED HARDWARE, SOFTWARE, AND SERVICES

All proposed hardware will be new unless otherwise noted.
